

DID YOU KNOW?

When temperatures get below freezing, it is always a good idea to leave a faucet on with a very light drip overnight.

The Water Billing Department offers a variety of options to receive your water/sewer bill. Emailed bills or direct debit are available options. Contact our Billing Department at 618-684-2431 for more information.

Happy new year to you and your family. I hope the New Year brings you blessings of good health and happiness in 2023. Among recent City business, the City Council just approved our annual financial spending documents for 2023 such as our Budget, our Motor Fuel Tax Resolution, and our Tax Levy. All of those documents are available to the public for inspection upon request.

Bi-Monthly water bills can be difficult to keep track of. Do you know when you will be billed next? Here is a quick chart to assist you in 2023.
